

## **Language Preservation Project Informal Proposal**

### **Part 1: Your Chosen Language**

Be prepared to present to the class the name of the language you have chosen and a couple of “fast facts” about it. Email me the name of the language you have chosen.

### **Part 2: Scholarship on Language Preservation or Diversity**

Email me a link or pdf copy of an article you have found and read about language preservation: purpose, challenges, costs, language diversity, etc. (This article may or may not specifically discuss your chosen language.) Include in your email a 3-5-sentence summary and a few key words describing the article.

\*Be prepared to teach the content of this article to your classmates.
